Lanway jboyl s boyl motion passed

Jim Rye, Burlington Fire Chief, was in attendance. introduced himself, left business cards, will try to attend meetings and will provide reports to us for fire runs. Email anytime there is an incident. Burlington township had 2 positions, clerk and treasurer changed in this election. 2 more tornado sirens, run off the NWS on Clifford road in between lake pleasant and Jefferson and the second lake pleasant and barnes road. Updated the old siren in Clifford to a hi low and to go off from the NWS

Public, publicly thank D Kramer, for his years of service. Marlette Fire Department, Ron Coltson, Burlington FD

Planning Commission, Permits need to be aligned for fees. Kramer states that for simplicity that PC should submit to board

Supervisor Report.

- Road Brining- What to take into consideration, due for grading and weather reports, and the number of complaints.
- Make considerations, for the location of the property when determining if there are water and sewer bills.

- Support the Board Of Review on decisions made, Assessor assesses, but BOR makes the decision. Contested starts with the Tax Tribunal at the state level. In the past these have stopped there.
- CCO – Provided Report. Discussed up and coming car dealership at corner of Sanilac and Clothier Road.
- Need to update all positions with the MTA
- Sextant Ted Patrick is looking to be replaced, Brian VanderPohl is interested.
- Roads established for next year, gravel roads and asphalt roads.
- Have time to have our meetings, because due dates are after the first of the year.
